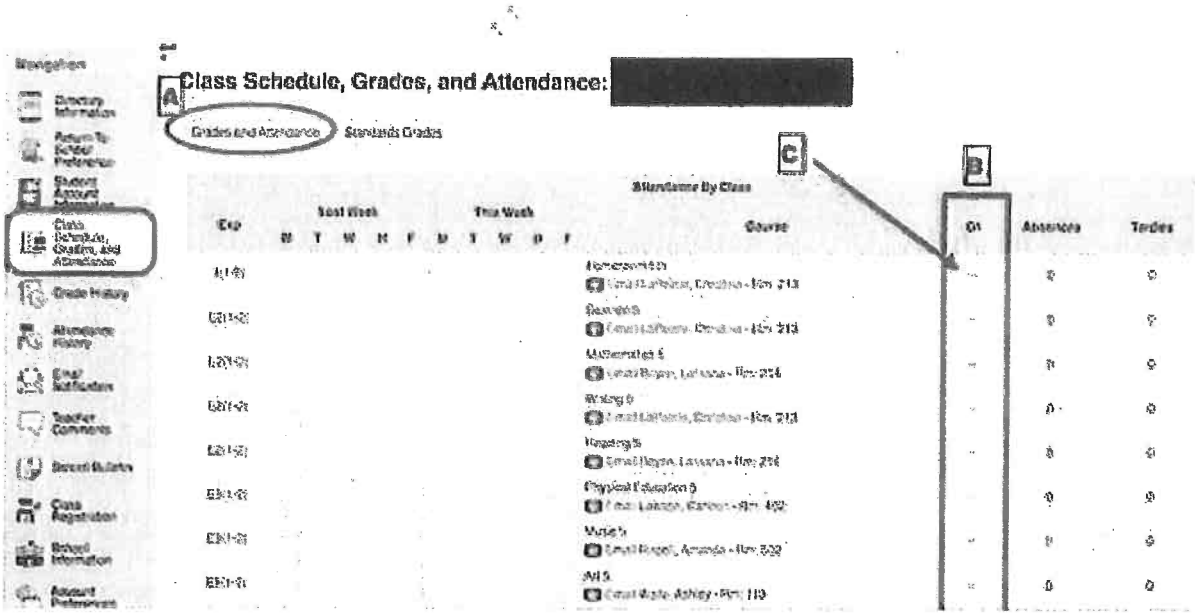
Dear (School Name) families:

This communication is to provide you with information related to your child's first marking period mid-quarter progress report.

Through the Portsmouth Public Schools Parent Portal website or app, you have the ability to review your child's progress and most current grades. Grades can be viewed by clicking on your child's schedule in the portal. Unless you request a mailed hard copy of the progress report, progress reports (current grades and student progress) will be viewed electronically Oct. 8 through the Parent Portal.

Student grades in the portal are in real-time, so as teachers add/edit grades the child's overall grade is automatically updated for classes. For parents/guardians of students with disabilities, your child's special education teacher will communicate with you regarding the distribution of progress reports related to your child's IEP goals. The distribution of these reports will be via email, given parent consent, or US Postal delivery.

If you have not created a Parent Portal account, please contact the main office for more information.

Directions to view Grades:


A. Click on the "Grades and Attendance" tab at the top (A)
B. Under Quarter 1, you will see the child's overall quarter grade (B)
C. You can click on the overall (C) and you will be able to see assignments for the overall grade
